CABLE COMPANY

CUSTOMER

Hello?

CABLE COMPANY REP

Hi Miss Bracken! Is it Miss or Mrs.?

CUSTOMER

Who is this?

CABLE COMPANY REP

My name is Bill Ryan and yes, I do have two first names. Please, let's not

focus on that.

CUSTOMER

If you're selling something I'm not interested.

CABLE COMPANY REP

What if it's chocolate?

CUSTOMER

You're selling chocolate?

CABLE COMPANY REP

Of course not! What kind of company sells chocolate over the phone?! Or

is that something your husband would like? Is it Miss or Mrs.?

CUSTOMER

Look, I don't have time...

CABLE COMPANY REP

Then I wish I was an hourglass salesman, haha!

CUSTOMER

Okay, I gotta go...

CABLE COMPANY REP

Why? To watch another movie with your live-in boyfriend?

CUSTOMER

I don't... What do you want?!

CABLE COMPANY REP

I'm calling from Time Warner Cable. Probably should've said that at the beginning.

CUSTOMER

Yes, that would've been helpful.

CABLE COMPANY REP

Like an hourglass!

CUSTOMER

Is this about my bill?

CABLE COMPANY REP

Why, is Bill the married guy from work you're seeing?

CUSTOMER

What?! No! Not Bill, a person. Bill, as in, is this call about my cable bill?

CABLE COMPANY REP

Oh, right. You'd think with 24 years in this job I'd know what people meant when they say "bill" after hearing I work for a cable company.

CUSTOMER

So is it about my bill?

CABLE COMPANY REP

Let's leave him out of this for now. From time to time we call our customers to ask about their experience with some of our premium channels. We want to make sure we're delivering a quality service when they purchase movies from our third party vendors.

CUSTOMER

Okay, shoot.

CABLE COMPANY REP

That won't be necessary. I'll just ask questions instead.

CUSTOMER

That's what I meant.

CABLE COMPANY REP

Me too.

CUSTOMER

Uh... go on but make it quick.

CABLE COMPANY REP

That's what she said! Bah-dum-bum!

CUSTOMER (GROANS)

CABLE COMPANY REP

Sorry. Yes, so anyway, how did you like the movie you rented last night-

"Butt Bongo"?

CUSTOMER

What?!

CABLE COMPANY REP

It appears you rented a movie from one of our... ahem... mature channels last night. Speaking of which, how old are you?

CUSTOMER

That's none of your business!

CABLE COMPANY REP

Uh, yes it is. In order to rent movies like "Butt Bongo"... oh wait, my bad! It's actually "Butt Bingo"! Which makes more sense, actually.

CUSTOMER

Okay, first of all, it's rude to ask a woman her age.

CABLE COMPANY REP

Even on the first date?

CUSTOMER

Especially then!

CABLE COMPANY REP

Boy, that explains a lot...

CUSTOMER

Secondly, I did not rent a movie called "Butt Bongo" last night.

CABLE COMPANY REP

"Bingo."

CUSTOMER

"Butt Bongo, Butt Bingo"... No butts about it! I didn't rent any movies
(Cont.)

last night.

CABLE COMPANY REP

Oh I see. Date night with the guy from Christian Singles, am I right? Is it

Miss or Mrs.?

CUSTOMER

Look, I'd like to speak to your supervisor.

CABLE COMPANY REP

Oh I see the confusion now!

CUSTOMER

Finally.

CABLE COMPANY REP

The movie was "Butt Bango"! Part 3, actually.

CUSTOMER

Okay, if that movie appears on my bill I'm gonna come down there and

rip you a new one!

CABLE COMPANY REP

Like they did in "Butt Bango," right?

CUSTOMER (FLUSTERED)

Right! I mean, I wouldn't know!

CABLE COMPANY REP

Well it says right there in the description, "Two hours of butt ripping

action..."

CUSTOMER

Stop! Let's get this straight...

CABLE COMPANY REP

Oh, there's nothing straight about this movie, I can tell you that.

(MOANING AND SLAPPING SOUNDS IN BACKGROUND)

CUSTOMER

Wait, are you watching it now?!

CABLE COMPANY REP

Sorry. There, I put it on closed captioning.

CUSTOMER

Again, put me through to your boss.

CABLE COMPANY REP

Not necessary. I'm sure she's seen this.

CUSTOMER

Arrrgghhh!! I did not rent that movie! Now please make sure it does not show up on my bill!

CABLE COMPANY REP

I totally understand. You'd rather keep this a secret from the old flame from high school who stops by when he's in town on business, right? Is it

Miss or Mrs.?
