

**VETERINARIAN**

RECEPTIONIST

Doctor Wilson, Veterinarian's office. How can I help you?

CALLER

Can I eat pigs?

RECEPTIONIST

Excuse me?

CALLER

I wanna eat pigs. Can I?

RECEPTIONIST

Okay, first of all, we treat pigs. Small ones, that is. The fact that you want  
to eat them...

CALLER

What? I can't eat them now?

CALLER (TO SOMEONE OS)

Jimmy! Put the pig in the freezer!

RECEPTIONIST

Wait! What?! Do you have a sick pig?

CALLER

I'll say. Little bastard is dead.

(Cont.)

RECEPTIONIST (Flustered)

Dead? Would you like to bury it?

CALLER

Bury it? I just bought it!

RECEPTIONIST

What?! Oh my, listen, this is totally...

CALLER (TO SOMEONE OS)

Jimmy! Do we want to bury the pig?

(PAUSE)

CALLER

He says no. He wants to eat it, which is why I'm calling you

in the first place.

RECEPTIONIST

You obviously have the wrong number. This is a Veterinarian's office.

CALLER

No duh. So I will ask you again, and I'll repeat it slowly this time.

Can...I...eat...pig?

RECEPTIONIST

Sure.

CALLER

Thank you! My sister... she thinks she's such a know-it-all.

RECEPTIONIST

Okay, thank you. Have a...

(Cont.)

CALLER

What about boar?

RECEPTIONIST (HAND OVER SPEAKER)

CALLER

Hello?! What about boar?

RECEPTIONIST

Miss, who were you trying to call?

CALLER

You! You're a Veterinarian, right?

RECEPTIONIST

I work in a Veterinarian's office, yes. Do you have a sick pet?

CALLER

No. Do you?

RECEPTIONIST

Okay, you don't have a sick pet. Then why are you calling a

Veterinarian's office?

CALLER

Don't you people know whether or not I can eat pigs and other animals?

(PAUSE)

RECEPTIONIST

Oh, I see! Are you considering being a vegetarian?

CALLER

Considering? That's putting it mildly. My doctor told me to give up meat

or I'll croak before Steve Bannon does.

(Cont.)

RECEPTIONIST

Miss, we are a Veterinarian's office. We treat sick animals. You need to  
call another Vegetarian.

CALLER

Who's that?

RECEPTIONIST

Look, go to a health food store and ask around. I'm sure they can help.

CALLER

Listen, lady, thank you so much for your help. I just want to make sure I  
understand what you're saying. You're telling me I should to go to a  
health food store and ask for a pig to eat.
